

BIBLICAL AND RELEVANT HOPE WHEN YOU'RE HURTING

Are you ready for real, raw, honest, and hopeful conversation about suffering, loss, and grief—from a Christian perspective? When life's losses invade your world, learn how to face suffering face-to-face with God.

"How do you deal with suffering and despair; the times when life seems so overwhelming that you just want to give up? If you want a thoroughly biblical and intensely honest examination of suffering from someone who has walked the path from 'hurt to hope in Christ' then *God's Healing for Life's Losses* is just the book for you."

IAN JONES, PH.D., Professor of Psychology and Counseling,
Southwestern Baptist Theological Seminary

"*God's Healing for Life's Losses* takes on traditional thoughts about grief and loss and turns them upside down. There is refreshing honesty about the pain of loss and the permission to be real with God and others as we embrace the mourning process together. This book is biblical, personal and healing; I highly recommend it."

GARRETT HIGBEE, PSY. D., President, Twelve Stones Ministries;
Executive Director, Harvest Biblical Soul Care
