## **Our Elder Ministry Team MVP-C Statement**

### **Our Mission Statement**

According to God's Word, our elder ministry team exists to  
disciple one another as servant leaders who oversee, empower,  
and equip our Father's family  
to reproduce in themselves and others  
Christ-like love for Christ, Christians, and those who do not yet know Christ.

### **Our Vision Statement**

It is God's dream for us to be a team of humble, caring, loving leaders  
united in Christ and committed to prayerfully discerning our Father's will for His family.

We will mentor faithful disciple-makers, coach committed ministers,  
and shepherd God's flock.

### **Our Passion Statement**

Servant Leaders Serving Our Leader

### **Our Commission Statement**

God is calling and equipping us to fulfill our Elder Ministry Team MVP *through*  
ad-ministrating the ministry, organizing the organism,  
and overseeing the equipping of our church family  
by modeling maturity, mentoring disciple-makers, and mending the flock.
