My Congregational Discipleship Pastor MVP-C Statement

My Pastoral Mission Statement

According to God's Word, my fundamental mission as a pastor-teacher is to
oversee the equipping of God's people (discipleship)
to live out His truth in love so that the Body of Christ matures
in Christ-like love for Christ (worship), Christians (fellowship and stewardship),
and those who do not yet know Christ (ambassadorship).

My Pastoral Vision Statement

It is my dream to provide our congregational family with visionary leadership
anchored in God's truth and love in order to
skillfully oversee the equipping of God's forever family to live out His truth in mature love
by building loving relationships that last through all the storms of life
with Christ, Christians, and those who do not yet know Christ.

Through God's grace stirring up the gift of God within me
to stir up the gift of God within our congregational family,
I will creatively feed and dynamically lead Uniontown Bible Church
toward becoming God's maturing masterpiece.

My Pastoral Commission Statement

I am called and commissioned by Christ to oversee that our congregational family
is equipped through the Spirit's empowerment
to help people grow from spiritual birth to spiritual maturity.

Christ is calling me to oversee that we are equipped to
evangelize our community for Christ,
encourage the crowd toward vital relationship with the Body of Christ,
exhort the congregation toward Christ-like maturity,
enable the committed to minister lovingly in the Body of Christ, and
empower the core to equip others also
all for the purpose of exalting and enjoying Christ.
